

Good Day Everyone!

Thanks to my friend Steve, I have finally found the perfect accessory for my car! I have been looking for a long time just how to make my car better than . . . well yes, I admit it . . . better than yours! But being the magnanimous person I am, I will share this with you. Simply go to O'Reilly auto parts home page (<http://www.oreillyauto.com/site/c/home.oap>) and using their search box enter the part number "121G". Like me, you will want one. You are all going to thank me profusely!

So now let's get on to the shows!

## **April 2017:**

### **Through May 31st:**

- **El Segundo, CA: A Woman's Touch;** "A Woman's Touch" will portray the history of women in the automotive industry, the key players of yesteryear and today, the Sirens of Chrome and using women in advertising for car sales, and the role of the Automobile in the Suffrage Movement. The purpose of this exhibit is to recognize

the impact that women have had on the automobile industry from the inception of the automobile to modern times. These women have been drivers, inventors, CEOs, writers, designers, race car drivers, and models. Exhibit runs January 27th through May 31, 2017 and will include Shirley Muldowney's restored 1977 World Champion Top Fuel Dragster and a meet and greet with Shirley (date TBD); President Franklin D. Roosevelt and Eleanor Roosevelt's 1932 Plymouth Town Car by Brewster; 1886 Benz Patent Motorwagen replica in which Bertha Benz drove the first long distance drive; Jean Peters 1955 Packard Caribbean Convertible – a gift to her from Howard Hughes; 1914 Saxon representing the Saxon driven by Alice S. Burke during the Suffrage movement; 1955 Nash Rambler representing the interior design by Helene Rother; an interactive map showcasing the first woman (Alice Huyler Ramsey) to drive across the United States, and the 125 city, 10,700 mile, 178 days Suffrage movement drive of Alice S. Burke and Nell Richardson. The mission of the Automobile Driving Museum is to collect, preserve, exhibit and ride in historic vehicles. We use our collection to present educational opportunities and displays that illustrate the aesthetic, engineering, and cultural evolution of the automobile. We feature an historical line up of cars and marques from the 20's and 30's, many of which are no longer produced, such as the Packard, Durant and Saxon. Our fleet is fueled and ready to go! Each Sunday we select three cars to provide rides for our guests. You can get up close and personal with our cars, and our dedicated and informed docents are available for tours to learn more. **30th:**

- **Half Moon Bay, CA:** *The 27<sup>th</sup> Annual Pacific Coast Dream Machines Show*; There are car shows, air shows, motorcycle shows, tractor shows, maker fairs, music festivals, food festivals and living history festivals galore. Mix them all together in one venue on one day and you've got Half Moon Bay California's remarkable, one and only, Pacific Coast Dream Machines Show! Where you'll see World-Class Tricked-Out Cars and Trucks, Custom Motorcycles, Fantastic Flying Machines and Quirky Contraptions; simply "The Coolest Show on Earth"! This is a one-day mega-show, running from 10am till 4pm at Half Moon Bay Airport, located in the picturesque seaside town of Half Moon Bay, about 20 miles south of San Francisco. Hundreds of aviation wonders are expected to be on display — headlined by legendary vintage warbirds like the B-25 Bomber and C-47 Skytrain plus stylish homebuilts, classics from the '40s and '50s, sport and ultralight aircraft. Inspiring flyovers by some of our nation's most storied military aircraft promise to be a fan favorite — all flown in memory of the late Eddie Andreini Sr., world-renown aerobatics pilot, founding Dream Machines contributor and pillar in the Half Moon

Bay community. Plus there's P-51 "Mustang Madness" — a spectacular display of America's premier World War II fighter along with YAK Russian fighters and an impressive array of T-6 and T-28 military fighters and trainers. Thrilling rides will be offered in helicopters and vintage bi-planes. Among the scheduled attractions are spectacular skydiving performances from the C-47 with military style jumps by the experts at Precision Skydiving and a special appearance by Shane Skull Krusher, the world's youngest mini monster truck driver. For electrifying showstoppers, the show's extreme attractions return – freestyle motocross shows, unimotorcycle drags and monster truck rides. Okey Dokey folks, that's all the shows I have for now. Please feel free to send in your show, or shows you know about. The rest of the world will never know the show exists if you don't tell.

To get your name on this distribution list, simple send me an email with “add me” in the subject line and you will be added. However, if you lose you mind and do not wish to be on this distribution list, simply bounce the newsletter back with “remove me” in the subject line. You'll be removed and receive one confirmation email and then that's it!

Till next month!
