And my favorite from this month's pics:

I always did love those old Hudsons.

Please send in your 2016 shows! It's never too early to get them on the calendar. The calendar is up and running on the website for everyone to see, so don't fall asleep at the keyboard!

Don't forget; if no one sends your show in, then your show only has two chances to get published here; and you know that they are.

And the legals; if you do not wish to receive this excellent newsletter, simply bounce it back with "remove" in the subject line.

Thanks for reading, hope you enjoy.

Brian

PS: Next month, back to some trivia and stuff.
